

Position Title:

Allopathic Doctor

The allopathic doctor supports the well-being and health of gurukula students by providing first aid medical care, emergency medical care, and preventive health and well-being education.

Responsibilities include:

- Providing first aid care to gurukula students for acute problems
- Providing health education information to the ashram community with other first aid staff and members of the community
- Overseeing emergency medical services and directing the medical aspect of any emergency

Qualifications include:

- Appropriate training in emergency procedures (such as ACLS, CPR)
- Residency training in Family/General Practice (or Internal Medicine or Emergency Medicine)
- Board-certification in one of the specialties listed above

Skills required:

- Experience in the practice of ambulatory (outpatient) medicine – minimum of 3 years
- Experience in hospital practice – minimum of 3 years
- Ability to stay current with medical knowledge

If you are interested in this seva role, please contact the Gurukula office at indianapplications@gspa.org or internationalapplications@gspa.org for an application
